*MESSAGE FROM THE EDITOR,
IAE Members' Directory*

***"Individually we are one drop,
Together we are an ocean!"***

The above quote truly justifies the inspiration which we have had from our honorable president Dr. H.K. Chopra in launching this very first membership directory of IAE.

It is my strong belief that this directory will strengthen our alliances, relationships and image of excellence of IAE endeavours.

I am very delighted to share that IAE, since its inception in 1994, has grown substantially, especially in the last few years. We now have an overwhelming strength of 2500+ members. That makes us the largest cardiac imaging society of India!

My best wishes to everyone.

Dr Hansa Gupta
Editor, IAE Member's Directory
Immediate Past Secretary, IAE

MESSAGE FROM PRESIDENT & GENERAL SECRETARY, IAE

working together is success"***

We express our heartiest congratulations to the editor- Dr Hansa Gupta- for her commendable efforts and herculean task of compiling and editing the first ever IAE Member's Directory released on 15th April 2017.

The directory has been very well structured, comprising of messages, information about IAE and its Executive Committee, privileges and norms of IAE membership, and then, the details of all our national and international IAE members.

IAE membership directory unfolds new vistas for building relationships and alliances with our members in India and abroad, thereby furthering the growth of IAE and enhancing its image as a global academic organization.

We extend our heartfelt thanks to all the past presidents, IAE executive committee members and all the members of IAE for their sincere efforts by submitting timely information for incorporating in this module of "IAE Membership Directory 2017" .
